EXPERIENCE:

2018 – 2022

STUDENT, BUSINESS INFORMATION SYSTEM AT HELWAN UNIVERSITY

Graduated with a GPA of 3.62, Excellent with honor and A+ degree for my Graduation Project (99/100). During my years of studying as a student I worked on various projects in different subjects such as System Analysis, Programming, Database, Internet Application (HTML, CSS, JavaScript), To name a few:

- Graduation Project: A Mobile Application called METROID that replaces paper metro tickets with electronic tickets using NFC Technology. Metroid's vision is in alignment with Egypt Vision 2030 the transformation of Egypt into a digital society, and Egypt's digital transformation strategy, that's why our aim is to reduce Egypt's paper imports besides the cost of printing metro tickets and to maintain the environment from pollution.
- Netflix: I re-create Netflix website using HTML, CSS, PHP
- Herbal website: A cosmetics website that sell herbal products for skin using HTML, CSS, JavaScript

Some of the courses I enjoyed during studying:

- Database
- Data security
- Computer networks
- Internet Application (HTML, CSS, JavaScript)
